A close-up photograph of a tree trunk. The bark is dark brown and deeply textured with vertical ridges and grooves. Patches of bright green moss are growing on the bark, particularly in the crevices and on the right side of the frame. The lighting is natural, highlighting the texture of the bark and the vibrant color of the moss.

P781 Modellier- und Rollputz

A scenic view of a historic city built on a hillside overlooking a river. The architecture is a mix of traditional European styles, including a prominent building with a tall, dark spire and another with a blue dome. The buildings are densely packed and feature varied facades in shades of yellow, orange, and red. The river in the foreground is calm, reflecting the sky and the buildings. A paved walkway runs along the riverbank, with a few people walking. The sky is a mix of blue and white clouds, suggesting a clear day.

The background image shows a modern building's exterior wall with a light grey, textured finish. On the left, there is a large window with a white frame. To its right, there are two smaller, narrow windows with dark frames. In the foreground, there are several bushes with reddish-brown leaves. A dark grey semi-transparent rectangular box is overlaid in the center of the image, containing white text.

A vibrant scene of a canal in Amsterdam. In the foreground, a dense field of bright pink tulips is in full bloom. Behind them, a canal reflects the sky. The background is filled with a row of historic Dutch buildings, including a prominent one with a green conical roof and another with a dark facade and white window frames. The sky is a clear, bright blue.
